## **Foreword**

*This book presents a stirring flow of revelation on the believer's identity in Christ and the manifestation of divine life expressed through glory, dominion, light, thanksgiving, and spiritual responsibility. It is not merely a sermon; it is an unveiling of kingdom consciousness.*

*At the centre of this message is a repeated call to awareness—awareness of what has been conferred upon the believer through redemption. The preacher draws from Scripture to establish that the life in Christ is not passive, but active, radiant, and consequential. The believer is shown not as a seeker of identity, but as one already seated in a defined spiritual reality: seated in heavenly places in Christ Jesus (Ephesians 2:6), called into light, and entrusted with representation on the earth.*

*The progression of thought throughout this manuscript moves from identity to expression. It begins with the revelation of spiritual ranking and authority, proceeds into the nature of divine light within the believer, and expands into the practical outworking of that identity—faith, witness, perseverance, suffering, and thanksgiving. Each of these becomes a channel through which glory is not only received but revealed.*

*Particular emphasis is placed on the believer's transformation through beholding, through prayerful endurance, and through active engagement in kingdom service. The message consistently rejects passivity, instead calling for intentional participation in spiritual growth. Glory, as presented here, is not static; it increases, it manifests, and it becomes visible through consistency in spiritual practice and devotion.*

*Equally central is the theme of thanksgiving and praise. The manuscript underscores gratitude not as an event, but as a lifestyle—expressed through the heart, the lips, and sacrificial giving. It reminds the reader that worship is not only a response to blessing but also a spiritual key that sustains and multiplies divine influence in the believer's life.*

*In preserving this transcript, every effort has been made to retain the preacher's original voice, cadence, and spiritual emphasis while presenting it in a structured, readable format suitable for study, reflection, and publication.*

*May the reader approach this material not as information, but as invitation—to walk in light, to grow in glory, and to live fully in the reality of Christ revealed within.*

## ***Main Message***

*Begins Here*

## *Introduction*

---

So I want to quickly share with us what I've titled *The Glorified Man*. One of the reasons we honour the Lord is because of what He has made us.

You know sometimes we thank God because of what He has given us, and it is beautiful. But what He has given to you—talking about material things now—is nothing compared to what He has made you. Because what He has made you is what controls what He has given to you.

You cannot have what you don't have the DNA to manage. That is why every time God wants to give you something, He first of all make you.

In Genesis 1:26, He said, "*Let us make man in our image, after our likeness.*" He now said, "*Let them have dominion.*" So a man who is not made in His image and in His likeness cannot wield dominion.

He looked at the fishermen. He couldn't give them anything. He said, "*Follow me and I will make you fishers of men.*"

When God is done making you, then God can give you things. Most of us, the reason we can't have a lot from God is because we have not been made.

And so this evening I want to show you one of the very important critical essence of our being, which is one of the things God has made us into—fashioned us into—and it is the glory life.

We have been made beings of glory, creatures of glory. And if we realise this truth and begin to live from this reality, our life will be a wonder to our generation.

Praise God.

## *Who We Are*

---

We have been made beings of glory. We are glorified beings. You know people say, “*I’m only human.*” You are permitted to say that before you met Christ, because everybody who has not met Christ is a fallen being.

Romans 3:23 says, “*For all have sinned, and come short of the glory of God.*” What it means is that we were created to live in the realm of the glory of God. Our reality should be at the level of the glory of God because that is where we fell from.

So anybody who has not met Jesus to be recalibrated to glory is permitted to say, “*I’m only human.*” But if you have met Jesus and glory has been restored, it is an error to say you are only human.

You are not only human—you are divine. There is a divine element in you.

## *Called To Glory And Virtue*

---

In 2 Peter 1:3–4, the Bible says:

*“According as his divine power hath given unto us all things that pertain unto life and godliness...”*

He called us to glory and to virtue. We were not called to just be human—we were called to glory and virtue.

Verse 4 says:

*“Whereby are given unto us exceeding great and precious promises: that by these ye might be partakers of the divine nature...”*

We have become participators. We have become sharers of His divine nature.

And on the strength of this, we have escaped the corruption that is in the world through lust. The things that overwhelm men—He said we have escaped them.

There is nothing in the world that should overwhelm you so much that you say you are just human. No.

You are a partaker of His divine nature. You are a participator in His divinity.

Anything outside the Godhead, you are permitted to share with Him. That is the glory realm of existence.

## **Restored To Glory In Christ**

This is what God had in mind when He started the project of man—to operate in His class, sharing in His glory.

But unfortunately, man did not allow the completion of his development. So the Bible says he fell from glory.

And one of the major things Jesus came to do was to restore us to glory.

Romans 8:29–30 gives us this reality:

*“...whom He did foreknow, He also did predestinate to be conformed to the image of His Son...”*

So that the Son might be firstborn among many brethren.

Verse 30 says:

*“Moreover whom He did predestinate, them He also called: and whom He called, them He also justified: and whom He justified, them He also glorified.”*

We were called into a glorified order of existence. We were called to live as glorified beings—not mere humans. That is why Paul called us new creatures.

## **New Creatures, One With The Lord**

After we came into Christ, it is an error to still define us only as humans. We are new creatures because we have become hybrid beings. *“He that is joined unto the Lord is one spirit.”*

We have become a compound being. Part divine, part human. Jesus made a profound statement in John 17:22:

*“And the glory which thou gavest me I have given them; that they may be one, even as we are one.”*

It will be impossible to be one with God if you do not share in His glory. So the very glory the Father gave Jesus, Jesus has given to us so that we will be one with Him as He is one with the Father. We are glorified beings. We are creatures of glory.

### ***Manifestations Of The Glorified Life***

---

If we were only human, it would have been a setup when Jesus sent us to do what He was doing. Because what Jesus was doing is not possible for humans. Only those in God’s class can operate like that. God upgraded our existence and brought us into the glory realm. There are dimensions of glory. One dimension of glory is honour. Another dimension is nature—the essence of God.

John 1:1, 14 says:

*“In the beginning was the Word... and the Word was God... and the Word was made flesh, and we beheld His glory...”*

God’s glory is His nature.

Another dimension is radiance—the brightness that follows God’s presence. In Exodus 24:16–17, the glory of the Lord rested like a cloud. In Luke 2:9, glory shone around them. In Matthew 17:2, Jesus was transfigured and His face shone.

In Hebrews 1:3, He is called the brightness of His glory.

## *Glory As Praise*

---

There is also glory as praise due unto God for His works. Isaiah 42:8 says:

*“My glory will I not give to another.”*

Psalm 29:1–2 speaks of giving unto the Lord the glory due unto His name. This is the aspect God does not share. But the radiance, nature, and honour—He shares with His children.

## *Carriers Of Divine DNA*

---

Moses' face shone when he came down from the mountain (Exodus 34:29–30).

Stephen's face shone in Acts 6:15.

We are carriers of His nature, His radiance, and His honour. We are not ordinary. We are glorified beings. One

of the manifestations of glory is dominion.

Moses did not understand this at first. When he stood before the Red Sea, he cried unto God, but God said, *"Why are you crying unto Me? Go forward."*

When he lifted the rod, dominion was activated.

Psalm 114 says:

*"The sea saw it, and fled: Jordan was driven back."*

Glory is dominion in motion.

When Moses discovered this, he entered rest and walked nations without fear.

## *No Enchantment Against The Glorified Man*

---

Balaam said:

*“There is no enchantment against Jacob, neither is there any divination against Israel.”*

When you carry glory, dominion is a byproduct. You dominate consciously and unconsciously. They may take your name to shrines, but the system cannot hold you. There is no weapon of darkness that has the potency to hurt a glorified being.

Ephesians 2:6 says:

*“And hath raised us up together, and made us sit together in heavenly places in Christ Jesus.”*

Revelation 3:21 says:

*“To him that overcometh will I grant to sit with Me in My throne...”*

We are enthroned creatures. Glory means enthronement. We fight from a throne, not from the ground. When you understand this, thanksgiving changes. You are not just thanking God for things—you are thanking Him for making you a glorified being.

So do not be afraid of opposition. Do not be afraid of conspiracies. When they rise against you, they are confronting a system they do not understand.

You are a glorified man. See whichever spirit they consult in that shrine knows the ranking. That where you are seated, he is not seated there. It is not even the babalawo—the demon he is serving, the demon knows rank.

He knows you are seated in heavenly places. He knows his jurisdiction. Have you not seen people they carry for ritual before and the spirit reject them? They no rank.

As you are here now, can you start fighting somebody in the presidency? Every being has intelligence on ranking. You can complain but you cannot fight them. They are in a seat higher in the physical, but you are doing transaction in superior realm.

You are seated with Christ. Every spirit knows the throne of Jesus. And anybody who is sitting on that throne, they know it is no-go area. Glory is dominion. Glory is dominion. Glory is dominion.

## ***You Are Not Ordinary***

---

See, don't beg for dominion. It is part of your package. When they fight you, you will notice you carry something. You are glorified. The glorified man is a man of dominion.

Number two: you carry the same excellence and radiance that Christ carries. When He brought you into glory, He awakened excellence and radiance within you. You are not normal. The reason you live normal is because you compare yourself through your consciousness. You are not normal.

There is a brightness about your being. The demons know. When they see us, they can tell light bearers. We are light bearers. 1 Thessalonians 5:5 says we are children of light.

# You Are The Light Of The World

The same radiance that Jesus carries is what you carry.

Jesus said in John 8:12:

*“I am the light of the world...”*

And He said, *“He that followeth me shall not walk in darkness, but shall have the light of life.”*

Then He begins to describe you.

Matthew 5:14:

*“Ye are the light of the world.”*

A city set upon a hill that cannot be hid.

Verse 16:

*“Let your light so shine...”*

No man lights a candle and puts it under a bushel.

You are not looking for light—you are the light.

The same radiance, the same illumination that Jesus commanded—you have it.

That is why you don't need to struggle for position. Just be yourself and you will be lifted.

They will see you and say, “No sir, please.”

That is who you are.

But let it shine.

The problem with many is that they have obscured themselves. They have not allowed themselves shine.

The Holy Ghost is stirring that light—don't quench it.

## **Citizens Of Zion**

You are not a church member. You are a citizen of Zion.

You are a participator in divine order. This is beyond assembly.

Hebrews 12:22–24 says:

You have come to Mount Zion, the city of the living God, to an innumerable company of angels, to the spirit of just men made perfect, to the general assembly of the church of the firstborn...

You have come to Zion.

You are among spirits of just men made perfect.

## *The Mystery Of What You Carry*

---

We are radiating things that even angels marvel at.

1 Peter 1:9 shows that angels were peeping into the mystery of salvation.

“What are you loading into this being?”

The psalmist said: *“I am fearfully and wonderfully made.”*

The last Adam was made a quickening spirit. The first Adam was natural. The last Adam is spiritual. The first man is of the earth. The last man is the Lord from heaven. As is the earthy, so are they that are earthy. As is the heavenly, so are they that are heavenly.

You are of heaven.

You are spiritual.

You are a quickening spirit.

### **Quickening Grace**

Anything we touch works. My ministry works. My family works. My business works. Because there is an element of quickening. We are not just apostles—we are glory carriers.

Quickening, quickening, quickening. That is my consciousness: nothing I touch fails. We are a solution embodiment. You don't fight to lead. You don't fight to reign. You don't fight to rule. Light is your inheritance. It flows from you.

Stars don't pray to shine—they shine.

That is who you are. When God made you a glorified being, He put honour on you. You cannot be dishonoured in your true identity. Some may speak, mock, or misunderstand—but it does not change what you carry.

You are going up.

You are going higher.

You are going forward.

Jesus Himself said:

“If they stop praising Me, stones will cry out.”

Honour is not negotiated—it is carried.

You are not here to struggle for validation.

You are here to represent.

He has sent you as an ambassador of the kingdom.

## **Walk As A Glorified Being**

Don't talk anyhow.

Don't live anyhow.

Don't walk in compromise.

Carry integrity.

Carry dignity.

Walk like a king.

Walk like a priest.

Walk like an ambassador.

You are a glorified being.

## **You Are The Answer**

Habakkuk 3:17–18: Even if everything fails, yet I will rejoice in the Lord.

Because I am something before I have things.

You are not defined by what you have.

You are defined by what God has made you.

## ***Increasing In Glory***

---

We all with open face, beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory (2 Corinthians 3:18).

Glory is in measures. Increase comes by beholding. 1 John 3:2:

*“When He shall appear, we shall be like Him; for we shall see Him as He is.”*

The more you behold, the more you are changed.

## **Through Travail**

Paul said we groan that we may be changed. Through travailing prayers, glory is formed. When Moses stayed long in His presence, he came down shining. When Jesus prayed, He was transfigured. Presence changes men.

## **Walk In Transfiguration Now**

You don't wait for rapture to carry glory.

You can be clothed even now.

Exodus 34: Moses' face shone.

Matthew 17: Jesus was transfigured.

Glory can intensify at will.

## **Carrying Glory Attracts Honour**

Kings will come to you.

Nations will come to you.

Resources will come to you.

A man came from Paris just to honour.

That is glory.

When you shine, men will locate you.

## **The Law Of Divine Attraction**

Don't chase men.

Carry glory.

Men will chase you.

Even kings will endure pressure to locate you.

That is your reality.

## **You Cannot Be Hidden**

Gentiles will come to your light.

Kings to the brightness of your rising.

You are a burning and shining light.

## **Final Reality**

You are not ordinary.

There is light in you.

There is dominion in you.

There is honour on you.

Walk like one who carries glory.

You are a glorified being.

## **The Realm Of Transformation And Glory**

See, they that wait upon the Lord, they renew their strength. They mount up with wings.  
Where was the wings?

That's metamorphosis.

Dimensions in you that were invincible suddenly becomes visible. They mount up.

You go to your high places. When you are talking, people wonder what do you read?

No, I'm given truth. I have access. See, you have no idea what people want.

See these testimonies are hard to share and not appear arrogant. That's why some of us share the testimony of others so that you don't get me wrong. See there are places you are coming to. They literally want to kill themselves.

They literally in fact they don't even care what you are preaching that you came. They are blessed.

They are just satisfied to see you.

Don't don't don't allow that glory in you diminish you. Let it grow.

Let it grow. And listen, I didn't say it means you should do something another person is doing. Somebody else may have the stamina to speak in tongues for 12 hours. You may speak in tongues 1 hour and worship for 13 hours.

Another person may thrive by studying the word of God and meditating.

It depends on the blend that works for you.

The problem with you is that some of you think because I cannot go and lock the door and fast for seven days like Peter I don't.

Your limit may be two days of fasting.

Add worship to it. Add prayer to it. The most important thing is stay there.

And I've taught you here, even if you sleep, sleep there. Wake up and continue.

Fast, worship, pray, but by all means stay there.

A point will come. You will see the glory will start resting on you like dew.

You will feel the weight. Even you will know that you are transiting to another dimension.

You will start seeing things. You will start hearing things from another realm.

And when you come out, you will come with a witness of those dimensions. And men will look at you and know that there's something about you that is more than what we see.

## **Witness, Faith And Kingdom Operation**

A very mature minister came to me. He said I have passed but I couldn't go. I came back to honor you. He said 85% of what I consume come from you.

He has been in ministry for like 40 years.

He said that your prayer watch I sit glued on it. He said the intelligence of the prayer point alone humbles me.

But when you stay, you are made ancient.

You are the one who think you are disadvantaged. You are not. Don't give the devil undue credit.

Jesus said if you tarry you will be endued.

Number three how do you increase the glory is through witness.

Those who win souls, those who speak for Christ they glow.

When you start witnessing for Christ, the Holy Ghost comes to confirm it and he will rest on you.

In places where men are wise, they pursue after kingdom service because they know when they go, God will go with them.

Mark 16:20, "And they went and the Lord working with them."

So those who participate in kingdom advancement, they have the likelihood of manifesting the glory.

Number four, faith.

Jesus said, John 11:40, “If thou wouldest believe, thou shouldest see the glory of God.”

Believe them and engage them.

The devil believes and trembles.

Faith without works is dead.

Believe and engage them.

That’s where the glory is.

## **Suffering And Glory**

Number five. What provokes glory? Suffering.

2 Corinthians 4:17, it say our light afflictions are but for a moment, but they work for us an exceeding and eternal weight of glory.

Anybody who cannot endure hardship for Christ there is a dimension of glory he cannot see.

When Stephen manifested glory, he was about to be killed for Jesus.

There are most of us here who think serving God is a bed of roses.

It doesn’t work like that.

There is a glory that you carry. You must shine, but you will suffer.

Sometimes it will cost you time. Sometimes it will cost you reputation. Sometimes it will cost you resources.

But daring is the channel for the manifestation of glory.

If we suffer with him, we may be glorified together.

Those who suffer for Christ, they are glorified with Christ.

## **Thanksgiving And Praise**

What provokes glory? Worship, praise and thanksgiving.

When you find where they worship, praise and thank, the glory will be in excess.

The house was literally filled with the cloud of glory when the priests began to praise the name of the Lord.

Thanksgiving begins with a heart posture of gratitude.

Bless the Lord, O my soul. Forget not his benefits.

Sometimes you stand there and tears just come out.

How God has been gracious to you.

I never knew you will honour me this way.

If you sing that song slowly you'll start crying.

Thank you Jesus.

Let the fruit of our lips give thanks unto his name.

God considers murmuring to be evil.

## **Giving, Dancing And Expression**

How do you thank God? Through gifts and offerings.

Give unto the Lord the glory due unto his name. Bring an offering.

Abel brought the best of what he had.

Number four. How do you thank God? By dancing, singing and glorying in his presence.

I will praise the name of God with a song.

David danced until his clothes fell off.

Let the earth hear his voice. Praise the Lord.

Give him the glory great things he has done.

## **Closing Exhortation**

See, don't find yourself cross your leg when others are singing and praising God.

Even if you are sick, stand up. You'll be healed.

There is daily increase for those who thank.

We are not ordinary.

We are glorified beings.

Dominion is our inheritance.

Light is our inheritance.

You are an answer to your generation.

Carry yourself with nobility.

Live like a being of glory.

Walk in integrity.

You are a king. You are a priest. You are an ambassador of the kingdom.

Praise God.
