## **Foreword**

*In this book, the reader is drawn into a sustained revelation of what Scripture describes as life beyond the natural limitations of time, process, and human expectation. It is a call away from the ordinary patterns of reasoning into a life governed by spiritual perception, faith, and divine possibility.*

*The central burden carried throughout these pages is clear: the believer is not designed to be restricted by visible systems. Rather, there is a realm where divine instruction overrides natural sequence, where outcomes are not confined to human pace, and where the unseen becomes more authoritative than the visible.*

*As you read, you will notice a recurring emphasis on vision, the Word, the voice of God, and the inner formation of expectation. These are not presented as abstract themes, but as practical gateways into a life shaped by divine influence. The message consistently returns to this truth—what is seen within eventually determines what is experienced without.*

*There is also a strong prophetic tone throughout the transcript, reflecting moments of declaration, impartation, and immediate testimonies of healing and transformation. These are preserved as part of the living texture of the message, not as embellishment, but as evidence of faith at work within a gathered people.*

*This is not a book to be read casually. It is a book to be engaged with attentively. The reader is encouraged to approach it with openness, allowing Scripture, conviction, and reflection to do their deeper work.*

*May the truths contained herein stir renewed faith, sharpen spiritual perception, and awaken a stronger walk with God beyond limitation.*

## *Scripture Foundation*

---

Tonight, I am speaking briefly on the subject: **Faith To Live In The Fourth Dimension**

The objective of this teaching is:

1. To understand what the fourth dimension is.
2. To examine biblical examples of the fourth dimension.
3. To consider present-day manifestations and testimonies.
4. To explore secrets of walking in the fourth dimension.

# ***Understanding The Fourth Dimension***

## **The Fourth Dimension Defined**

The fourth dimension is the realm of the Spirit where time, space, and matter have no limiting effect.

It is a dimension where things occur independent of time.

A realm where space does not restrict outcomes.

A realm where material limitations are suspended.

## **A Realm Beyond Natural Protocols**

The fourth dimension is a realm where natural laws and human protocols are bypassed.

When Jesus came into the world, it was a fourth-dimensional operation—divine intervention beyond natural procedure.

There are times when God suspends protocols and brings about divine acceleration.

## **Invisible Realities Of The Spirit**

The fourth dimension is the realm of invisible realities.

As written:

1 Corinthians 2:9–10 (KJV):

*“But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him. But God hath revealed them unto us by his Spirit...”*

There are realities that exist beyond human sight.

2 Corinthians 4:18 (KJV):

*“While we look not at the things which are seen, but at the things which are not seen...”*

The unseen realm is more real than the seen.

## **The Realm Of The Unpredictable**

The fourth dimension is a realm where outcomes cannot be forecast by natural understanding.

Like the wind, no one can fully trace its direction.

So is everyone born of the Spirit.

In this realm, your future becomes unpredictable to the enemy.

Even the forces of darkness cannot determine your next outcome.

## **The Realm Of The Unstoppable**

The fourth dimension is the realm of divine unstoppable movement.

No system can stop it.

No power can restrain it.

No opposition can hinder it.

For whatsoever is born of God overcomes the world.

This is the victory that overcomes the world—our faith.

Greater is He that is in you than he that is in the world.

## **The Realm Of Undeniable Results**

The fourth dimension produces results that cannot be denied.

Even when people cannot explain it, they cannot ignore it.

The impact is visible.

The evidence is undeniable.

The testimony is unquestionable.

God's hand produces results that silence opposition.

## **The Realm Of The Unprecedented**

The fourth dimension is the realm of new things.

Things that have never been seen before.

Things that have never been heard before.

God is not limited to repetition—He creates new expressions of glory.

Mary asked how it could be, and God answered beyond natural explanation.

## **The Realm Of Record Breaking**

This is a pace-setting realm.

A trend-setting realm.

A frontier-breaking realm.

It is possible to become the first of your kind by divine empowerment.

God is able to bring you into dimensions no one in your family line has entered.

How many people seated here today are about to step into something, and you will be the first to step there?

Stand on your feet.

Take a step forward.

Tell God: I am stepping into something.

I am stepping into a new season.

A new dimension.

A new phase.

A new realm.

I shall be the first to step in there.

I shall be the first to step in there.

I shall be the first to step in there.

Give Jesus the big shout of praise.

Take your seat in the presence of the Lord.

## ***Faith Beyond The Familiar***

Do not struggle to do what has been done before. And do not be afraid to dare what has not been done before. God is too big to be confined to tradition. He is the God of new things.

New things cannot run out in God.

He is eager for a people whose faith is large enough to trust Him for something new.  
Something fresh.

Something unprecedented.

Something unheard of.

## ***The Fourth Dimension: Expeditious Realities***

The fourth dimension includes expeditious dimensions where things happen at unusual speed.

Not at the speed of light.

But at the speed of glory.

It is a realm where time stands still.

A realm where time is excused.

There are dimensions where time is asked to give way. When Jesus turned water into wine, time was excused.

John 2:1–11 (referenced)

Water was turned into wine instantly, without waiting for process.

He said, draw it out now.

Not later.

Not after time.

Now.

At the speed of glory.

## ***The Speed Of Divine Operation***

In this realm:

What takes others a month, you accomplish in a day.

What takes others a year, you accomplish in a month.

What takes others a lifetime, you accomplish in your lifetime.

Time is no longer permitted to waste destiny.

The control of time over your life is broken.

The siege of time is broken.

The dominion of time is broken.

## **Prophetic Declaration Over Time**

Time will no longer oppress you.

Time will no longer control your life.

You are stepping into a realm where time is excused. Tell five people: I am stepping into a realm where time is excused.

### ***Joshua And The Suspension Of Time***

Joshua 10:12–13 (referenced)

The sun stood still, and the moon stayed. Time obeyed divine instruction. Until the battle was completed, time could not proceed. This is the realm where schedules bow to divine purpose.

## **Declaration**

Age without progress is broken.

Delay without results is broken.

Cycles of stagnation are broken.

A new speed is released over destiny.

Get ready for speed.

Get ready for acceleration.

Get ready for divine movement in your destiny, finances, and career.

Restoration will happen quickly.

Recovery will happen quickly.

Speed will be evident.

## **The Fourth Dimension: The Incredible Realm**

The fourth dimension includes dimensions of the incredible. Things that appear impossible. Things that appear unbelievable. Things that appear too good to be true. Yet they are undeniable.

### **The Realm Of Unexplainable Testimonies**

If it did not happen to you, you would not believe it. But it happened.

This is the realm where: The unbelievable becomes undeniable. The impossible becomes visible. The extraordinary becomes ordinary in God.

### **The Realm Of Audible Results**

This is the realm of audible outcomes. The source may be invisible. But the result is audible.

People hear it.

You do not need to announce it. It announces itself. Acts 2 imagery of sound and impact reflects this dimension of divine expression.

## **Scriptural Examples Of The Fourth Dimension**

### **Virgin Conception**

Luke 1:34–35 (referenced)

Mary conceived without the involvement of a man.

A natural law was bypassed.

## **Elijah's Translocation**

1 Kings 18:11–12 (referenced)

Elijah moved beyond physical transportation.

He was carried by the Spirit.

## **Philip's Translation**

Acts 8:39–40 (referenced)

Philip disappeared from one location and appeared in another.

Time and distance were bypassed.

## **Jesus Walking On Water**

John 6:18–21 (referenced)

The disciples struggled across the sea for hours. When Jesus entered the boat, they immediately arrived.

## **Resurrection And Closed Doors**

John 20:19, 26 (referenced)

Jesus entered while doors were shut. Natural barriers were suspended.

## **The Suspension Of Natural Laws**

In the fourth dimension:

Reproductive laws were suspended.

Biological laws were suspended.

Physical laws were suspended.

Supply and demand laws were suspended.

Multiplication happened beyond limitation.

## ***Fourth Dimensional Testimonies***

A young woman misplaced important documents during service. In the midst of worship, the document was found inside her Bible.

A supernatural placement occurred.

A woman with severe cervical spine degeneration received instant healing.

Her neck was restored completely.

Afterward, what she gave in appreciation was mysteriously restored to her possession.

A kidnapped believer sang in captivity.

As she declared faith, she found herself relocated beside a military checkpoint.

She could not explain the transition.

A young man faced execution by armed attackers.

Weapons failed repeatedly.

No gun functioned.

All captives were released.

## **Divine Protection Beyond Explanation**

This is the realm where divine protection overrides natural systems.

Where weapons fail without explanation.

Where deliverance happens without human intervention.

## **The Recovery Of Lost Items**

A passport needed for travel was declared missing.

With divine intervention, it reappeared exactly where it had been searched.

What was hidden was restored instantly.

## ***Keys To Operating In The Fourth Dimension***

### **The Knowledge Of God**

Daniel 11:32 (referenced)

Those who know their God shall be strong and do exploits.

Knowledge of God produces boldness of faith.

It reveals identity.

It shapes capacity.

### **The Revelation Of The Word**

John 6:63, Romans 10:17 (referenced)

The Word releases life and spirit.

The Word builds faith.

The Word renews the mind.

Renewed mind produces elevated destiny.

## **The Voice Of God**

Psalm 29 (referenced)

The voice of the Lord is powerful.

It transmits supernatural strength.

It bypasses protocols.

It suspends procedures.

When God speaks, nothing can resist it.

You are stepping into a realm where time is excused.

A realm of speed.

A realm of miracles.

A realm of undeniable results.

A realm of the fourth dimension.

The Voice of the Lord.

Number four is the vision of unseen realities. If you want to walk in the fourth dimension, you need visions of unseen realities.

What man sees determines what God gives. For all the land which thou seest, to thee will I give it — Genesis 13:15.

If you can see it, God can give it. If you cannot see it, God cannot give it.

God does not only answer prayers. He answers thinking. He answers vision. He answers imagination.

Ephesians 3:20 — unto Him that is able to do exceeding abundantly above all that we ask or imagine.

So He is not only looking for what you are asking, He is looking for what you are thinking, what you are seeing, what you are imagining.

No wonder He said, before they call, I will answer. While they are yet speaking, I will hear.

Before they call — while they are still thinking what to say.

Watch what you think, because God is hearing your thinking, and He wants to answer your thought.

The vision of today is the manifestation of tomorrow. The vision of today is the reality of tomorrow.

What you see determines what you receive. What you picture determines what you capture. Your mental picture determines your actual future.

What you perceive determines what you possess. What goes through your mind will affect what runs through your life.

Everything that is beyond your thought is beyond your result. If you cannot imagine it, it cannot emerge.

If it must emerge, you must imagine it. If it does not occur to you, it may not occur for you.

It must first occur to you. If it is too big for your mind, it will be too big for your hand.

God will never tempt you with what you cannot handle. If your mind cannot handle it, your hand will not handle it.

But if your mind can handle it, get ready—it is entering your hands.

Vision determines action, motion, acceleration, possession, and destination.

Your vision determines your action—how you behave. It determines your motion—how you move. It determines your acceleration—how fast you run.

“For the vision is for an appointed time... write it, make it plain...”

It determines your possession. “All the things you see I will give to you.” It determines your destination—how far you can go.

If you cannot see clearly, you cannot move fast. It is physical and spiritual.

Hallelujah.

Put these together with your declarations of faith, because words are seed. Combine them with correct action steps.

When the lepers moved, the Assyrians heard footsteps of celebration.

In all that you do, mind your association. When you walk with giants, you cannot walk like dwarves.

If you want to walk on water, stay with those who can encourage you to step out.

Peter walked on water in the fourth dimension, but when he shifted to the third dimension and looked at the wind, he began to sink.

Lift your hands and shout unto the Lord with the voice of triumph.

## ***Prayer of Encounter and Release***

Lift your hands everywhere. Say after me:

Lord Jesus, I come before You tonight. I make demands on the Spirit of faith for the fourth dimension. Lord, give me a baptism of the Spirit of faith for the fourth dimension.

Now pray.

Father, I make demands on the Spirit of faith for the fourth dimension. Help me to step into the fourth dimension. Help me to move in the realities of the fourth dimension.

In the name of Jesus.

## ***Healing and Manifestations***

I am going to pray three prayers quickly. If you are sick, place your hand where there is pain. Someone is being healed of shoulder condition right now. Move it and confirm it is gone.

Yes... thank You Father.

Someone is healed of peptic ulcer disease—pain from the chest to the back is gone. Check it and confirm your healing. A man healed of stroke—move your body.

Thank You Master.

A woman with long-standing shoulder injury—pain disappears instantly. Another testimony—after declaration and prayer, healing manifests immediately. Another case—stroke victim begins to lift shoulder freely. Another—partial deafness in the ear opens completely. Now close your right ear and test the left ear. Hear clearly now in Jesus' name.

## ***Prophetic Release - Fourth Dimension Financial Breakthrough***

I prophesy a fourth-dimensional financial miracle. Stretch your hands.

I declare a turnaround. I declare wherever the enemy held what belongs to you—let it be released now.

Within 24 hours, receive a miracle that will amaze you.

Within 48 hours.

Within one week.

A complete financial turnaround.

If God leads you to do what you have not done before in finances—do it.

The same God who directed Peter to the coin in the fish will guide you into supernatural supply.

So shall it be.

## ***Final Impartation***

I see healing of eye conditions.

I declare clarity of sight in the name of Jesus.

Now receive power to walk in the fourth dimension.

Say: I receive the power.

Lift your hands.

Father, release fresh fire, fresh power, and step Your people into a new realm.

In the name of Jesus—receive! Receive! Receive!

## ***Salvation and Alter Call***

If you want to give your life to Jesus, come forward.

Say:

Lord Jesus, I surrender my life to You. Forgive me my sins. Help me to live for You. In Jesus' name, Amen..
