## **Foreword**

*There are dimensions of God that cannot be accessed casually. There are realms of divine operation reserved for those who hunger beyond routine Christianity and press into deeper manifestations of His presence. Miracles in the Glory is a timely and weighty revelation into one of those dimensions — the realm of glory.*

*In this powerful message, Dr Paul Enenche unveils the realities that become possible when men encounter the glory of God. Through scriptural insight, prophetic declarations, and living testimonies, he reveals that the glory realm is not merely a theological concept, but a divine atmosphere where impossibilities dissolve, limitations collapse, and God manifests beyond natural laws.*

*Within these pages, you will encounter truths concerning:*

- *Creative miracles*
- *Supernatural supply*
- *Drastic divine speed*
- *Angelic and heavenly visitations*
- *Supernatural preservation*
- *Divine vitality and strength*
- *Strategic direction through the glory of God*

*Yet beyond the miracles themselves lies one of the strongest calls of this message — the call to servanthood, obedience, and sensitivity to divine instruction. The glory of God does not rest carelessly upon pride, self-exaltation, or spiritual complacency. It responds to yielded vessels, humble hearts, and lives fully surrendered to divine purpose.*

*This book is more than a sermon transcript preserved in written form. It is a spiritual charge to a generation hungry for authentic encounters with God. It is a prophetic invitation into dimensions where time, limitation, fear, and impossibility lose their hold under the weight of divine glory.*

*As you read, may your spiritual hunger increase. May your understanding deepen. May your faith rise beyond the ordinary. And may you encounter the manifest glory of God in ways that transform every area of your life and calling.*

*We are honoured to preserve and publish this message through [LivingSermons.com](http://LivingSermons.com) so that its impact may continue reaching lives across generations and nations.*

*May the Lord cause His glory to rise upon you.*

## ***Main Message***

## *Scripture Reading*

### **John 2:1–11 (KJV)**

“This beginning of miracles did Jesus in Cana of Galilee, and manifested forth his glory; and his disciples believed on him.” — John 2:11

The 2022 Kingdom Power and Glory World Conference is titled *The Rising Glory*. We shall look at the details of that from this evening forward. God has given us a syllabus to dissect throughout the whole of this conference.

But while we wait for that, in this service of the Glory Conference, I will speak on the subject:

### ***Miracles in the Glory***

Miracles that happen in the frequency of the glory. Our objective is to see the dimensions of miracles in the glory and to understand how to access them.

In my study of Scripture, it looks like the glory realm is a step ahead of the power realm. They are both correct, but after Moses had seen so much power, he asked God:

“Show me thy glory.” — Exodus 33:18

It was as though he said, “Step me further into glory. I have seen the Red Sea parted. I have seen this and that. Show me Your glory.”

When God allowed His glory to pass before Moses, the things that began to happen from then onward took another dimension.

Psalm 63:1–2 says:

“O God, thou art my God; early will I seek thee: my soul thirsteth for thee, my flesh longeth for thee in a dry and thirsty land, where no water is; To see thy power and thy glory...” — Psalm 63:1–2

First power, then glory.

## ***Miracles of Creation***

The first category of miracles in the glory realm is: **Miracles of Creation** Or what may be called *creative miracles*. Creation is natural in the glory realm. When God arrived in Genesis in His glory, creation happened.

Water turning into wine was a miracle of creation. In the glory realm, new kidneys, new livers, new lungs, and new ovaries are natural occurrences.

“But my God shall supply all your need according to his riches in glory by Christ Jesus.” — Philippians 4:19

If you needed a liver, He shall supply it according to the riches of His glory.

## ***Miracles of Strange Supernatural Supply***

The second category is: **Miracles of Strange Supernatural Supply**

How water became wine, and how the need was met instantly on the spot.

Haggai 2:6–9 says:

“For thus saith the Lord of hosts; Yet once, it is a little while, and I will shake the heavens, and the earth, and the sea, and the dry land;

And I will shake all nations, and the desire of all nations shall come: and I will fill this house with glory, saith the Lord of hosts.

The silver is mine, and the gold is mine, saith the Lord of hosts.

The glory of this latter house shall be greater than of the former... and in this place will I give peace, saith the Lord of hosts.”

Miracles in the glory realm include strange supernatural supplies.

We are in a season, in this end time, where God’s people, churches, and ministries shall command such a strange order of wealth that will humble the pride of the world.

## ***Miracles of Drastic Supernatural Speed***

The third category is: **Miracles of Drastic Supernatural Speed**

When things happen at the frequency of the glory, they happen at the frequency of God. How long would it have taken a company to produce wine naturally? Yet the moment the water filled the pots, there was no delay.

Jesus did not pray long prayers over it.

He simply said:

“Draw out now.”

Instant action.

Miracles in the glory are immediate. Things happen before you have the time to think. The water filled the pots, and immediately they served it.

On the spot.

This reminds me of John 6, where the disciples struggled against contrary winds while trying to cross the sea. Then Jesus came walking on the sea.

“Then they willingly received him into the ship: and immediately the ship was at the land whither they went.” — John 6:21

Not gradually.

Not eventually.

Immediately.

Something that had taken hours suddenly happened in an instant. That is beyond mere power. That is the glory realm. In the glory realm, time loses relevance.

Heaven is a place of glory; that is why time does not exist there. People, get ready. We are in a season where we shall see speed. Not only spiritually, but physically and practically.

## ***Testimony of Divine Escape***

I remember the testimony of a sister from Kubwa Church. Kidnappers stopped them on the road. They recognised her because she had fled from that region to Abuja due to threats against her life. They said, “Chichi, you have been running. We have found you today.”

They began contacting ritualists about her. Then she heard the voice of the Lord say:

“Stop. Don’t move.”

So she stopped. Others kept moving, but she stood still. The kidnappers passed her by as though they could not see her. They went ahead and never recognised she was there. That is the glory realm. Time, space, and matter cease to exist.

Later, she found herself safely back on the highway.

Miracles in the glory.

## ***The Realm Beyond Human Explanation***

I heard another story of a man travelling a journey that normally would take four or five hours. He was deep in worship while driving. Suddenly, he saw a sign welcoming him to his destination. He checked the time and realised only about forty-five minutes had passed. The heavens must retain Jesus until the restitution of all things.

There are dimensions we cannot experience if we do not believe them. The realm that Philip operated in is a realm the Church must operate in before Jesus returns.

## *Celestial and Divine Visitations*

The fourth category is: **Celestial and Divine Visitations and Manifestations**

This is the realm where the celestial and terrestrial interact effortlessly. Luke 9:29–31 says:

“And as he prayed, the fashion of his countenance was altered, and his raiment was white and glistening.

And, behold, there talked with him two men, which were Moses and Elias:

Who appeared in glory...”

These were celestial beings appearing physically. Peter, James, and John did not merely see them in a vision. They saw them physically. We are in seasons of divine manifestations and angelic visitations.

Hebrews 12 speaks of:

“...an innumerable company of angels... and to the spirits of just men made perfect.”

These are saints who have gone ahead — Elijah, Jeremiah, Isaiah, Paul, Peter, and others. There are dimensions in Zion where heavenly activities become tangible realities.

## *Encounters Too Sacred to Explain*

There are many things we do not talk about openly. Years ago, before I became a pastor, I saw myself lifted above a city in the spirit.

Afterwards, I found myself seated with ancient men of God. There are encounters that leave deposits in your spirit. At another time, Archbishop Benson Idahosa appeared and spoke about giving me my graduation gown and honour.

There are dimensions too sacred for careless discussion. True apostles and prophets are not talkative. Paul the Apostle himself said there were revelations he could not utter.

There are things God shows you that you keep until people mature enough to understand them. But I prophesy to somebody here today:

There is an encounter that is about to happen to you.

A visitation.

An impartation.

And no devil shall stop it.

## *Divine Energy and Vitality*

The fifth category is: **Divine Energy, Vitality, and Durability**

The glory charges the human body with supernatural strength. Deuteronomy 34:7 says:

“And Moses was an hundred and twenty years old when he died: his eye was not dim, nor his natural force abated.”

Moses carried such glory saturation that even at 120 years old, he retained the strength and vigour of youth. The glory preserved his vitality. You are too young to be weak.

Too young to be sickly.

Too young to be wasted.

I prophesy that in this glory realm, you are stepping into a higher level of energy, strength, and power.

## *Miracles of Divine Preservation*

The sixth category is: **Miracles of Divine Preservation**

Preservation that cannot be explained naturally. Isaiah 4:5 says:

“For upon all the glory shall be a defence.”

Inside the glory, there is defence. Inside the glory, we are securely preserved. I heard of a man driving across a narrow bridge when suddenly a trailer approached from the opposite direction.

There was no natural escape. But somehow, they found themselves safely on the other side. Whether they flew or passed beneath the trailer, only eternity will fully explain it. That is supernatural preservation.

## *Strategic Direction in the Glory*

The seventh category is: **Strategic Direction in the Glory Realm**

Inside the glory, there is freedom from confusion. Luke 9 reveals Moses and Elijah speaking with Jesus concerning His assignment and the death He would accomplish at Jerusalem. They were giving Him direction. Exodus 13:21 says:

“And the Lord went before them by day in a pillar of a cloud, to lead them the way; and by night in a pillar of fire...”

- The glory provides direction.
- The glory leads.
- The glory guides.

Inside the glory realm, confusion disappears. We are entering days where the glory of God shall manifest in dimensions beyond human explanation.

- Creative miracles.
- Supernatural supply.
- Drastic speed.
- Divine encounters.
- Vitality.
- Preservation.
- Direction.

These are miracles in the glory. May the Lord usher you into deeper dimensions of His glory. In Jesus' Name. Amen.

That glory gives direction.

Which way to go. How many people know today that all the miracles in the glory are necessary miracles? Sometimes, it is not even money you need. All you need is direction.

God gives one direction, and that direction takes you to provision. God gives direction, and the direction connects you with the mantle you desire.

## *Secrets of Miracles in the Glory*

In conclusion, what are the secrets of miracles in the glory?

### **Existence as a Servant**

When Jesus performed the miracle in Cana of Galilee, Mary said to the servants:

“Whatsoever he saith unto you, do it.” — John 2:5

For a long time, many people thought she was speaking to the disciples, but if you study the passage carefully, you will see a distinction. Jesus and His disciples were invited to the wedding, but Mary specifically addressed the servants.

The disciples sat with their Master as honoured guests, but the glory manifested through the hands of the servants. It is not your title that connects you with glory; it is your service. It is not your status that connects you with glory; it is your service.

Too many people are overly concerned about titles and recognition, and because of that, they miss glory.

## *The Nature of a Servant*

Who is a servant?

### **A Servant Is Addicted to Service**

A servant is a man or woman addicted to service.

### **A Servant Gets the Job Done**

A servant gets the job done and does not care who receives the glory. The waiter in a hotel does not care whether the owner, the manager, or the banquet coordinator receives the credit.

All he wants is for the assignment to succeed. That is the heart of a true servant. “All I want is for the purpose of God to be fulfilled in my generation.”

That should be the cry of every genuine servant.

### **A Servant Is Clothed with Humility**

A servant is clothed with the garment of servanthood and humility. Arrogant people cannot truly serve. You recognise servants by humility.

Today, there is a shortage of glory because everybody wants to be served, but very few people want to serve.

Everybody wants recognition.

Everybody wants applause.

Very few people are willing to labour without seeking attention.

## **A Servant Is on Standby**

A servant remains on standby to run errands for God. “Lord, I am available. Send me anywhere.”

The kingdom suffers shortage when there are few people available for kingdom errands.

## **A Servant Is Sensitive to Needs**

Every true servant is attracted to needs. While others are focused on how much money they can make, a servant is focused on how many needs he can meet.

If God finds a servant, He will manifest His glory. If there had been no servants at that wedding in Cana, the wedding would have ended without glory.

If God finds servants, He releases glory.

## ***Servanthood and Relevance***

Pastor, even if you are the General Overseer of a ministry, decide between you and God to become a servant. Be such a servant that the people know you genuinely serve them.

After all, we are here to serve people. Churches cannot exist without people. The same people many attempt to dominate are the very people who establish their relevance.

Move higher in servanthood, and you move higher in glory.

- Drop pride.
- Drop arrogance.
- Increase in servanthood.
- Increase in glory.

## *Sensitivity to Instruction*

The second secret of miracles in the glory is: **Sensitivity to Divine Instruction**

“Whatsoever he saith unto you, do it.”

God always has something to say.

Listen carefully.

Pay close attention.

The key to the miracle was what the Master said. There is one word between your present condition and your manifestation.

One instruction.

One direction.

Many people copy what others are doing instead of hearing from God personally. “What title did they use for their programme? Let us use the same.”

No.

Every situation of frustration is connected to an instruction not heard or an instruction not obeyed. Either:

- God is saying something you have not heard, or
- God has spoken, and you have not obeyed.

Many believers engage in lengthy fasting, yet the only result is hunger because they failed to receive divine instruction. During seasons of fasting, trust God to hear something that will move your life forward.

## *Absolute Obedience*

The third secret is: **Absolute Obedience to Divine Instruction**

The servants filled the waterpots exactly as Jesus instructed.

“Jesus saith unto them, Fill the waterpots with water. And they filled them up to the brim.” — John 2:7

Notice that Jesus did not specifically say, “Fill them to the brim.”

But the servants left no room for assumption.

They obeyed completely.

Many people obey God partially.

That was Saul’s problem.

God told him to destroy everything belonging to the Amalekites, but he spared some things.

Then God asked:

“What meaneth then this bleating of the sheep in mine ears?” — 1 Samuel 15:14

Disobedience speaks loudly before God.

Sometimes, by human standards, something appears complete, but before God it is still lacking.

The servants filled the pots to the brim, and the moment they reached the brim, the water turned into wine without prayer.

When obedience is lacking, prayer becomes long. When obedience is present, results become sharp and immediate. Jesus simply said:

“Fill the waterpots.”

But the servants went beyond minimal compliance. They chose complete obedience. There are people who do only enough to satisfy appearance, but glory responds to thorough obedience.

### ***The Blessing of Excess in the Right Direction***

I once prayed for a businessman with projects spread across almost every state in Nigeria. He told me that whenever he received payment for contracts, he did not calculate tithe based only on profit.

If he received 150 million naira for a project, he tithed from the entire amount. He said:

“It is better for God to cheat me than for me to cheat God.”

Today, he operates in extraordinary financial abundance. That is the mentality of obedience to the brim. When Elijah instructed King Joash to strike the arrows on the ground, he struck only three times and stopped.

Elisha became angry because partial action limited the victory. There is a connection between success and excess in doing the right thing. Excess in the right action.

Excess in obedience. Incomplete obedience is still disobedience.

You did it, but you did not do it completely.

## *Final Charge*

These three keys must become foundational in your life:

- Existence as a servant
- Sensitivity to instruction
- Absolute obedience

God has so much in store for us. We shall experience miracles in the glory like never before. Lift your hands and thank God for His Word.

May your life enter dimensions of glory beyond explanation.

In Jesus' Name. Amen.
