Foreword

*There are moments in the life of the Church when the Holy Spirit does more than teach—He marks people for destiny. This message by **Apostle Stephanie Ike Okafor**, delivered during the **London Summer Word Camp 2026 (Day 2 – Evening Session)**, is one of those moments.*

What follows is more than a sermon transcript. It is a carefully preserved record of a gathering where the Kingdom of God was demonstrated through the ministry of the Holy Spirit. Throughout this session, Apostle Stephanie calls believers beyond intellectual knowledge into a living experience of God's power. Her message reminds us that the Holy Spirit was not given merely to inform us but to transform us, empower us, heal us, deliver us, and reveal Christ in and through our lives.

As editors, our responsibility has been to preserve the preacher's voice with utmost faithfulness while presenting this message in a format that is clear, readable, and suitable for long-term study. Every effort has been made to maintain the original flow, passion, and spiritual weight of the sermon, correcting only transcription errors, grammar, punctuation, and formatting where necessary. The substance of the message remains unchanged.

Within these pages, you will encounter biblical teaching, prophetic exhortation, heartfelt testimony, corporate prayer, and powerful declarations of faith. Whether you are reading this as a personal devotional, using it for Bible study, or revisiting the atmosphere of the conference, we pray that the same Holy Spirit who ministered so powerfully during the live gathering will minister to you afresh.

As you read, do not merely observe the testimonies of others. Open your heart to the Holy Spirit. Allow Him to search you, strengthen you, heal you, and reveal His purpose for your life.

The invitation throughout this message is not simply to receive a blessing but to become fully yielded to the Lordship of Jesus Christ through the work of the Holy Spirit.

May this message stir fresh hunger for God's presence, deepen your intimacy with Christ, strengthen your faith, and equip you to fulfill the assignment Heaven has entrusted to you.

May the Lord bless you richly as you read.

Grace and peace,

Main Message

Begins Here

Introduction

As we stand to our feet, the presence of the Holy Spirit is so tangible in this atmosphere, and we want to give Him room to do that which He desires.

The Lord gave me one Scripture because He wants to show Himself mighty in this moment, as He has already begun.

"For the kingdom of God is not in word, but in power."

— 1 Corinthians 4:20 (KJV)

This morning we began to speak about the Holy Spirit. The Holy Spirit's assignment is to glorify Jesus. He makes present the reality of what Jesus accomplished on the Cross.

I sense His Spirit so strongly in this atmosphere.

In just a moment, I want you to begin to pray in your heavenly language.

We cannot come before the Lord and pray, "Thy kingdom come," and not experience His Kingdom in our midst.

CHAPTER -ONE-

The Healing Power of the Lord Is in This Room

I sense the healing anointing of the Lord in this room. I do not know what you have been asking the Lord to heal—whether it is in your body, your mind, or your soul—but the healing power of the Lord is here.

He is Jehovah Rapha, the Lord who heals you.

Begin to declare over yourself:

"Jesus, this is Your temple. If this is Your temple, infirmities cannot dwell here. If this is Your temple, the enemy cannot have any hold over me. Lord, I shift from making You an occupant to making You the Owner of this vessel."

Spirit of the Living God, would You manifest Yourself? Would You reveal the healing power of Jesus?

There are areas of your life where you have felt defeated. There are things you have settled concerning yourself, believing they will always remain that way. But that is not the Word of the Lord. We are going to worship in a little while.

The Testimony of God's Faithfulness

When I was pregnant with my first child, the doctors told us to terminate the pregnancy. But I knew that the Lord had spoken to me about this child even before I met my husband.

The doctors said, "Terminate the pregnancy."

Yet we held on to the Word of the Lord concerning her instead of the report of the doctors. I remember those first few weeks of pregnancy. The pain was excruciating.

But I called on the Lord.

I said,

"Lord, I look to You."

That became the song I stood upon.

I would sing:

"You're where my help comes from.

Give me vision, O God.

Give me vision to see things like You do."

I held on to that song.

While I was in pain, I worshipped.

I sang it aloud.

As we worshipped with that song, the Lord spoke to me and said:

"I am here as the Helper to My people."

The Helper is in this room. I do not know what you have been carrying. I do not know what seems impossible. But as we worship the Lord in this atmosphere, I do not want you to hold on to the history of your pain.

Instead, look at the faithfulness of our God. The child they told us to abort and terminate will soon be three years old. As we worship Him, remember this:

The Helper is in this room. The Holy Ghost is called Another Helper. Worship Him. Open your heart.

The Spirit of the Lord is coming upon many in this room to heal you of your infirmities.

(Congregation worships.)

"God, I look to You.

You're where my help comes from.

Give me vision to see things like You do.

Give me wisdom, for You know just what to do."

Be Sensitive to the Move of the Spirit

I want you to be sensitive in this atmosphere to the move of the Spirit of God. Spirit of the Living God, would You be our strength where we are weak?

Would You be our strength where we are weak?

Lord, I ask that You would begin to locate Your sons and daughters who need a touch from You. Be their strength.

Let Every Infirmary Bow to Jesus

I speak to cancer.

You have a name, but you are no greater than the name of our Lord Jesus Christ.

Every tumor in this room, be dissolved in the name of Jesus.

Let blind eyes be opened in the name of Jesus.

Let deaf ears be opened in the name of Jesus.

Let every womb be unlocked in the name of Jesus.

Let fibroids begin to shrink and disappear in the name of Jesus.

Whatever has been affecting that pinched nerve, let the hand of God come upon it.

Whatever your infirmity has been, speak it aloud before the Lord right now.

As the Lord becomes your strength...

As the Lord becomes your help...

As the Lord becomes your Healer...

I see the delivering hand of the Lord.

I see the delivering hand of the Lord.

I see the delivering hand of the Lord.

Holy Ghost, locate Your people.

The Delivering Hand of Yahweh

No music for just a moment.

Spirit of the Living God, reveal Yourself as strength to Your children where there has been weakness.

I do not know who this person is, but you have been seeing serpents in your dreams—as though they desire to sleep with you.

Let the Spirit of the Living God deliver you.

Deliver you from every satanic bondage in the name of Jesus.

Pray in the Holy Ghost.

Pray in the Holy Ghost.

I see the delivering hand of Yahweh.

Lord, we thank You.

We thank You.

Be a Healer in this atmosphere.

Be a Deliverer in this atmosphere.

Thank You, Lord.

Thank You, Jesus.

Holy Spirit, locate Your people wherever they are in this room.

Freedom from Hidden Torment

I sense there are people here who have been moving from one infirmity to another.

There is a spirit spouse that has determined to keep you in bondage.

Every time you attempt to break free, another infirmity arises.

Let the hand of God come upon you now in the name of Jesus.

Let His delivering hand rest upon you now in Jesus' name.

I want the ushers to remain attentive.

As the hand of the Lord touches His people, gently bring them forward.

There are things we must seal in His name.

Let Your Kingdom Be Evident

Lord, as Your children have gathered in this atmosphere, we have prayed:

"Thy kingdom come."

Now let Your Kingdom be evident in this room.

Let it be evident among Your people.

Let it be evident that what You have commissioned them to carry into the world is already manifesting here.

Oh, thank You, Lord.

Oh, thank You, Jesus.

CHAPTER -TWO-

Dealing With Demonic Seeds

There is a cleansing that the Lord desires to do. There is an uprooting that must take place before He establishes what He desires.

Every satanic seed. Every demonic seed.

Lord, uproot it in the name of Jesus. Whatever has been planted in the bloodline, uproot it by Your power. Spirit of the Living God, You see all things and You know all things. As Your children have yielded to You—in this building and online—shine Your light into every hidden place.

Whatever area of life has become infested by darkness, even where they are unaware, let Your light expose it. Let Your light cast out every darkness.

Manifest Yourself, Lord. Manifest Yourself as we worship. The hand of the Lord is coming upon you. The hand of the Lord is coming upon you.

A Reversal of Death

I see the fire of the Lord coming upon people's bellies. And I see the Word of the Lord declaring a reversal of death. Lord Jesus, where death has become a plague...

Where death has hovered over the lives of Your people...

Every appointment with death that was never ordained by You—We cancel it now in the name of Jesus. Locate Your people. Where their names have been marked...

Where dates have been assigned against them...

Locate them with Your fire. Bring a divine reversal.

Every Demonic Contract Is Cancelled

Abraham...

You came to this conference not knowing there was a target against your life. The Lord is also showing me two other individuals. There is a calendar with your names marked upon it. But if God truly reigns over your life, then today we remove you from every demonic contract.

We cancel every agenda of death over your life in the name of Jesus. One of these individuals has been marked through sickness. For the other, this same pattern happened to your mother. She went to sleep and simply did not wake up.

There was no medical explanation. Now you are approaching the same age at which your mother passed away. Spirit of the Living God, locate these individuals. Remove every covenant of death over their lives. We come against every evil pattern.

The Blood of Jesus Speaks a Better Word

Begin to pray over yourself. Every demonic pattern...

Every organized system of chaos operating through the bloodline...

The Blood of Jesus speaks a better word. Declare over your life that the angels of the Lord are present in this room. How can someone simply go to sleep and never wake up?

No medical condition. No explanation. Lord, we use these individuals as a point of contact. For every family member...

For everyone connected to us...

Stretch forth Your delivering hand. Set them free. Thank You, Jesus.

The Environment for the Next Generation

I still see this fire coming upon your belly as we continue to worship. There is a fire. There are women in this room who are about to receive the environment for their children. There has been a battle over children destined to be born in this generation.

We are living in strategic times within God's prophetic calendar. There are deliverers that heaven intends to raise. There are families marked by God. It was said of Abraham that the Lord knew he would command his household in the ways of the Lord.

Understand this carefully. There is a pattern the enemy looks for. When it comes to families that are destined to raise deliverers, the enemy recognizes something about them.

He asks,

"If these people have children, who will those children become?"

The Enemy Recognizes Covenant Families

Sometimes we wonder why there seems to be no resistance when people are living in sin and having children without God's order. The enemy does not always feel the need to resist them because he is already counting on the trauma those children will experience in broken homes. He has already engineered a system of pain, rejection, and brokenness.

He says, *"That family is already broken. We don't need to resist them."*

But when you study the Scriptures, you discover that Abraham was not just any ordinary man. Who is this man who, at the word of the Lord, leaves his family and journeys to an unknown land?

What kind of obedience is this—that wherever the Lord sends him, he goes without hesitation?

He commanded his household in the ways of the Lord. He instructed his servants in the fear of God. Everyone connected to Abraham carried the fragrance of his lifestyle. That kind of family raises warriors for the Kingdom. The Lord sees such homes. The enemy sees them too.

He looks upon a household, sees its faithfulness, sees the fire of God resting upon it, and immediately begins to resist it because he knows that the children born into that family will become mighty men and women of war. Before my daughter was born, the Lord showed me that she would be a lioness for Him.

That is why we named her **Ariel**. The Lord gave us her name beforehand because He said she would be a lioness of God. So it was no coincidence that, at her conception, the report of man was, *"Terminate the pregnancy."*

But there is a Word of the Lord that stands forever. There are children we are about to contend for in the Spirit.

They shall come forth because the Word of the Lord will stand. They shall come forth because the Lord keeps covenant with His own.

(The congregation worships.)

"As the river flows, it begins to bring every death into life.
It is a life-giving river."

The Battle Over Your Womb Belongs to the Lord

Spirit of the Living God, would You touch Your daughters in this room?

Would You touch them now?

For the battle is the Lord's.

The battle over their womb is the Lord's.

Whatever has been fighting your womb, let the hand of God come upon you now.

Ushers, remain sensitive.

I see the angels of the Lord walking throughout this building.

Everything that has been holding the strings of your life that is not the hand of God—we cut it off now in the name of Jesus.

Where witchcraft within a family has held generations captive...

Where legal rights have been established through the bloodline...

Where innocent blood was shed generations ago and its cry has been used by the enemy to bring judgment upon the present generation...

Lord, today we plead the Blood of Jesus.

The Blood that speaks a better word.

Spirit of the Living God, let Your Kingdom come into the homes of Your children.

Where demonic systems have ruled households—

Loose them.

Loose them.

Loose them.

I declare liberty over this house.

Loose them.

I declare liberty over everyone watching online.

Loose them and let them go.

Loose them in the name of Jesus.

Deliverance from Night Torment

I see that the Lord is about to deal with everything that has been coming to torment people during the night.

You worship.

You serve.

Yet you go home and experience torment while you sleep.

You pray.

You lead prayer meetings.

Yet you have not been able to overcome what visits you in the night.

But today, the hand of God is coming forth with deliverance.

Spirit of the Lord—

Locate them.

Locate them.

Locate them.

It is not only women.

There are men in this room as well.

Locate them.

Come with Your fire and loose them now.

Pray for This Nation

Begin to pray for this land.

When a nation has not entered its prophetic destiny, there are blessings held back from those who dwell within it.

Pray for this nation.

As you pray, I see the Lord beginning to release mantles upon His people.

There is someone in this section whom the Lord has appointed to become a mighty deliverer.

I know this because I see the angel assigned to you.

You can enter a room as one person and leave with your destiny.

You can enter an atmosphere with one identity and leave with the one God has always known concerning you.

David entered as a shepherd.

He was caring for sheep when Heaven announced,

"David, you are not merely a shepherd. I am calling you to be king."

I see the hand of God revealing to many of you what He has always known about you.

Just as Elijah passed his mantle to Elisha, the power of the Lord is about to come upon you.

There are people in this room for whom this is the appointed season.

As you pray for this nation, I see mantles coming upon you for what you have been called to do in this land.

For who God has called you to become in this nation. You cannot serve the Lord without the help of God. Jesus told His disciples,

"Tarry..."

Because unless the Spirit of the Lord comes upon you, zeal alone is not enough.

You need power. You need power for where God is sending you. You need power for what He has called you to accomplish.

And that power is not only for ministry moments. It is also to direct you.

To instruct you. To inform every step of your life.

The Lord Is Raising Shepherds and Teachers

Lord, disrupt what has become normal. Touch the shepherds You are raising in this room. Those You have called to become pastors. The weight of God is in this place.

The weight of Yahweh is here. Touch the teachers You are raising.

Anoint them.

Anoint them.

Anoint them.

In these last days, sound doctrine is essential. Let the fire of the Lord locate you wherever you are.

The enemy has tried to silence you. He believed he could use trauma to rewrite your identity. He believed he could use trauma to keep you small. But today...

Every garment of shame...

Every garment that you mistook for your identity...

Lord, remove it. Remove it from Your people. Clothe them instead with truth. Holy Spirit, You are the Spirit of Truth.

Healing the Brokenhearted

The Lord is about to give many of you visions in this very moment. He is taking you back to things He previously showed you. He is beginning to reveal what He has always known concerning you. He is placing fresh thoughts into your heart.

Thank You, Lord.

He is healing the brokenhearted. Jesus was not only anointed to cast out devils. He was not only anointed to open blind eyes. The Scriptures also declare that He was anointed to heal the brokenhearted. How can you love Him with your whole heart when your heart remains broken?

There is an anointing in this room to heal the pain that has kept you from walking in truth. Do not become more loyal to your pain than you are to the One who heals you. There is an anointing in this room to heal the brokenhearted so that you will no longer be defined by trauma, but by the Word of the Lord.

Oh, thank You, Lord.

Thank You, Jesus.

Now Is the Appointed Time

There are many in this room for whom **now** is the appointed time. This is the favorable season. There is an activation the Lord desires to release now. As the hand of the Lord comes upon you, it is not merely for an emotional experience. Return to the place of prayer.

Ask the Holy Spirit,

"What do You desire for me to do with what You have placed upon my life?"

Seek Him for your next instructions. Do not become creative in your own wisdom. Do not build upon your own strategy. There is a present activation for what the Lord wants to accomplish. Spirit of the Living God, for those in this room whose appointed time has arrived—Not tomorrow.

Not next week.

But now. Some have experienced delay. But there is favor in the **now**.

You are calling them to walk in everything You ordained for them. No longer will they despise themselves. No longer will they believe they are unworthy.

Now...

Now...

Now is the appointed time. Holy Spirit, locate them. Activate destinies wherever they are. Let Your hand rest upon them. Activate them for everything You have called them to become.

Thank You, Lord.

Activation for Your Appointed Time

Let the activation come for everything that was written concerning them before time. For those who have entered their moment...

For those who have stepped into the hour of destiny...

Lord, touch them now.

Empower them now.

Equip them now.

Some of you are about to enter into a realm of divine encounters where the Lord will begin to take you into heavenly places.

You will find yourself in meeting rooms ordained by God.

There are divine encounters that are about to be activated over your life.

Let us worship Him. Touch Your children, Lord. Touch Your sons.

Touch Your daughters. Now is the favorable time.

He Sees You

One of the beautiful things about being in a place where the Lord is moving is that you can have confidence that He sees you.

The way the Holy Spirit manifests Himself is different for every person.

For some, He touches the body and brings healing.

For others, He begins to speak to the heart.

The temptation in an atmosphere like this is to compare your experience with someone else's.

The moment you begin to compare, you give room to the father of lies.

Remain faithful in your secret place.

Yield yourself to the Holy Spirit.

It is not only about you having the Holy Spirit.

It is about allowing the Holy Spirit to have you.

The Lord is touching many people.

He will continue to do so.

Spend time with Him.

Ask Him,

"Lord, what do You desire from my life?"

"What do You require of me?"

For many of you, the Lord has already begun speaking.

When the voice of the Lord comes, it often disrupts what has become normal.

It disrupts routines.

It interrupts comfort.

But His way is the way of life everlasting.

What a sweet presence of God is in this place.

Thank You, Lord.

Testimonies of Healing

If you know that the Lord physically healed you today...

Perhaps there was something you could not do physically, and now you can...

There are some conditions that still require medical confirmation, and you should follow up appropriately.

But if there is something you could not physically do before this service that you can now do, would you lift your hand?

Thank You, Jesus.

I sense that someone's testimony is going to awaken faith in another person.

If the Lord has healed you physically in this atmosphere, come to the front quickly and share what He has done.

Thank You, Lord.

Do not be shy.

Your testimony will strengthen someone else's faith.

Testimony: Strength to Lift Her Hands Again

The first woman testified:

"Two years ago I was diagnosed with breast cancer.

On June 5th I underwent surgery. One side of my body was affected by the mastectomy, and because of the surgery and the stitches, I had never been able to lift my hands like this.

When Pastor spoke about faith—doing what you have never done before—I found strength and grace to lift my hands.

Now I can lift them without that restriction.

I just want to say thank You, Jesus."

The congregation celebrated the goodness of God.

Testimony: Walking Without the Cane

Another woman shared:

"I was rushed into surgery because of tumors around my knee.

My inflammation markers were supposed to be around 4.5, but mine were over 400.

My stomach collapsed.

My colon collapsed.

God has been healing me little by little.

I came here using a cane because my blood condition affected my ability to walk.

But today I have walked all the way from the back of the auditorium to the front."

The congregation rejoiced and celebrated Jesus.

Testimony: The Pain Is Gone

Another testimony came:

"A few weeks ago I was playing with my son when I felt something crack in my tibia.

I have been unable to move properly ever since.

During the service I decided to believe God.

I tried to do what I couldn't do before.

The pain is completely gone."

The congregation erupted in thanksgiving.

Testimony: Shoulder Pain Healed

Another woman testified:

"I have had severe shoulder pain for almost a year.

It actually started around London Summer Word Camp last year.

I have been receiving physiotherapy.

But while we were praying today, I suddenly realized the pain had completely disappeared."

Again, the congregation celebrated Jesus.

Apostle Stephanie said:

"As you celebrate Him, you are calling upon the same Healer.

What I love about Jesus is this:

If Jesus can heal pain in a body, He can heal a tumor.

He is the Healer.

He does not discriminate based on the kind of infirmity."

Testimony: Strength Restored

Another sister testified:

"For the past two or three months, I could not keep my right arm lifted because it always became weak.

During prayer I sensed the Holy Spirit telling me to keep lifting it.

At first I supported it with my other hand.

But then I realized the weakness had completely disappeared.

I know God has healed me."

The congregation once again praised the Lord.

Do Not Hide Your Testimony

The Holy Spirit began to stir my heart.

There is a gentleman the Lord is showing me.

You do not like crowds.

You normally avoid public attention.

But the Lord healed you during this conference, and you have been holding back your testimony.

Do not be like the leper who failed to return and give thanks.

As you overcome your fear today, there is something the Spirit of God wants to do in your life.

I want to give you this opportunity so that you do not leave carrying unnecessary guilt.

Condemnation does not come from God.

If you know I am speaking to you, come quickly.

The Lord physically healed your body.

As I continued speaking, several men came forward.

The congregation celebrated what God was doing.

Testimony: Years of Pain Removed

One gentleman testified:

"I had severe pain under my feet for many years.

A few weeks ago I went to the NHS, and they diagnosed it as a condition that required medication.

I began using the treatment, but the pain remained.

Last night I even told someone how painful it still was.

During the service, before Apostle Stephanie even began ministering, the Holy Spirit spoke to my heart and said,

'Your pain is leaving so you will know it is Me.'

He began speaking many things to me.

Then He told me to come and give thanks.

I simply want to say,

'Thank You, Jesus.'

Testimony: Delivered by the Fire of God

Another man shared:

"During the time when the fire of God became so strong in the room, I was sitting there praying in tongues.

Suddenly it felt as though my whole body was on fire.

Whatever demonic oppression had been affecting my life completely left because of the fire of God."

The congregation celebrated Jesus with great joy.

A Prayer of Thanksgiving

Let us pray.

Heavenly Father,

We give You all the glory.

We give You all the praise.

We thank You for the many signs and wonders You have performed in this room.

We thank You for Your sons and daughters whom You have called for such a time as this.

Lord Jesus,

We thank You because shame and condemnation never come from You. It is never Your voice that condemns Your sons and daughters. It is never Your voice that calls them unworthy. It is never Your voice that tells them they are inadequate.

It is never Your voice that says they are too broken. How can the One who heals and restores complain about brokenness?

You are the One who heals the brokenhearted. Everything You have done in this gathering—

We seal it by Your Blood.

We seal it by Your Blood.

We seal it by Your Blood.

Amen.

Continue to Hover Over Your People

Holy Spirit,

Just as You hovered over the waters in the beginning because there was something incomplete that needed completion...

Continue to hover over the lives of Your sons and daughters.

Remain with them until the day they can declare,

"I have fought a good fight, I have finished my course, I have kept the faith."

— **2 Timothy 4:7 (KJV)**

Lord, insist upon them.

Do not allow them to wander into the path of unrighteousness.

Like a loving Father, prune them.

Discipline them.

Keep them on the path of life.

Let everything You have spoken into their hearts produce a fruitful harvest.

Let every healing become fruitful.

Let every miracle bear lasting fruit.

Even the testimonies that were shared today—Let them become seeds for countless other breakthroughs. Just as the first woman testified that she acted in faith and experienced healing...

May every testimony become a seed for another person's miracle.

Lord, we love You.

We thank You.

Continue to encounter us.

Continue to speak to us.

In Jesus' name.

Amen.
